

Individual coauthor contact messages

Bonded-template DEM reveals strength- and topology-dependent fracture-event sequences in packed brittle ceramic pebbles

Public candidate e-mails are confirmation aids only. Do not enter them into the live submission system until the corresponding author or coauthor confirms the address.

Use the Chinese message directly for quick confirmation. The English version is included below each author as a backup.

Siyu Wang

Action	ask_directly
Public candidate	None

Chinese message

Siyu Wang 您好, CPM 投稿系统可能需要每位作者邮箱。请您回复一个可用于投稿系统的常用学术邮箱; 同时请确认作者顺序、单位和贡献描述是否无误。谢谢!

English backup message

Dear Siyu Wang, the CPM submission system may require one e-mail address for every author. Could you please provide a preferred academic e-mail address for the submission system, and confirm whether the author order, affiliation and contribution statement are correct?

Hang Zhang

Action	ask_directly
Public candidate	None

Chinese message

Hang Zhang 您好, CPM 投稿系统可能需要每位作者邮箱。请您回复一个可用于投稿系统的常用学术邮箱; 同时请确认作者顺序、单位和贡献描述是否无误。谢谢!

English backup message

Dear Hang Zhang, the CPM submission system may require one e-mail address for every author. Could you please provide a preferred academic e-mail address for the submission system, and confirm whether the author order, affiliation and contribution statement are correct?

Ming-Zhun Lei

Action	confirm_public_candidate
Public candidate	leimz@ipp.ac.cn

Chinese message
