

Author e-mail collection packet

Bonded-template DEM reveals strength- and topology-dependent fracture-event sequences in packed brittle ceramic pebbles

Copy-ready short message, Chinese

各位老师、同学好，CPM 投稿系统可能需要每位作者邮箱。请直接回复：

1. 投稿系统使用邮箱；
2. 作者顺序和单位是否确认；
3. 贡献描述是否确认。

已有公开候选邮箱的作者请确认能否使用该邮箱；没有候选邮箱的作者请提供一个常用学术邮箱。

Copy-ready short message, English

Dear coauthors, the CPM submission system may require one e-mail address for every author. Please reply with:

1. preferred submission-system e-mail;
2. confirmation of author order and affiliation;
3. confirmation of the contribution statement.

Authors with public candidate e-mails should confirm whether the candidate can be used. Authors without a candidate should provide a preferred academic e-mail.

Action table

Author	Status	Public candidate	Action
Siyu Wang	Missing	None	Ask author directly for preferred submission-system e-mail.
Hang Zhang	Missing	None	Ask author directly for preferred submission-system e-mail.
Ming-Zhun Lei	Missing	leimz@ipp.ac.cn	Ask author to confirm whether this public candidate may be used.
Wei Wen	Missing	wenwei@ipp.ac.cn	Ask author to confirm whether this public candidate may be used.
Qi-Gang Wu	Missing	None	Ask author directly for preferred submission-system e-mail.
Gang Shen	Missing	shenganghit@163.com	Ask author to confirm whether this public

			candidate may be used.
Haishun Deng	Missing	269469122@qq.com	Ask author to confirm whether this public candidate may be used.

Rule

Public candidates are confirmation aids only. Do not enter them into the live submission system until the corresponding author or coauthor confirms the address.
